WHO IS THE TARGET CUSTOMER?

Action: Think about the Canon target customer, who they are and their printing needs

Their life

They are:

- Home office users (1-5 users per office) and SME users

The stories they tell

They want:

- Print a high volume mainly documents (150+ pages per month)
- Reduced total cost of ownership
- Better connectivity
- Genuine inks, easy refills
- Reduced downtime
- Professional looking results
- Printing from smart devices

Why the G Series?

Key benefits for target customers:

Superb printing yields

Print up to 18,000 pages from 3 black bottles or 7,700 pages from a colour set of inks and keep working with a 350-sheet plain paper capacity.

Low cost per page

Maintain quality at a low cost-per-page. G series multifunctionals feature 4 high-yield, mess-free, refillable ink tanks for low running costs.

Hassle free control

Remotely monitor devices to check ink levels and print counts so that consumables can be re-ordered before they are needed - ensuring supplies never run out.
